Unitarian Universalist Church of Palo Alto  
OR

Thursday, February 25, 7:00 – 8:30 p.m. at  
St. Dunstan Church in Millbrae

- *Please contact your PIA Organizer to arrange to send a representative from your congregation to one of these workshops.*
- These workshops will provide training regarding what will be required for a congregation to sponsor a table and honor a local hero at PIA's annual Community Heroes Luncheon.
- Only LOCs who sponsor a table at the event will be given the opportunity to recognize their own local community hero.
- Congregational representatives need only attend one Table Captain Training – PLEASE RSVP.
- The role of the Table Captain will be to liaison with your LOC to create a table sponsorship plan that best fits your congregation's needs, faith, culture, economic climate, etc. A specific plan will be created (with help from PIA) for sponsoring a table and choosing a local hero to be honored. Options for sponsoring tables and resources will be covered.
- At the workshops, you will learn how to invite attendees and/or sponsor a table as strategically as possible. We encourage LOCs to invite people to the event who would benefit from learning more about PIA and help the LOC further its issue work and build local power.
